If you answered “yes” to these questions, support NOCTI testing for students.

Apply today at: <https://www.careertechpa.org/application/>

A student's Co-Op supervisor or an active Occupational Advisory Committee member can review the NOCTI test to help create a cut score for students. The cut score determines each student's proficiency level on the NOCTI test – Advanced, Competent or Basic.

IT'S EASY!!

- Work at your convenience
- Complete on-line training (1 hour)
- Review the NOCTI test (a few hours)
- Receive a stipend via gift card!

If accepted, you will receive an email with log-in information to access the online training. You will have one week to complete the required training and a second week to complete the NOCTI test review.
